All Seasons Sports Center News: With increased sales over last year, and a lack of leftover models available, Arctic Cat inventories on the new models are low! If you are interested in the new ProCross chassis, don't wait too long before pulling the trigger. Contact Jim at 715.595.4874.

AWSC Insurance Benefit Update: Please note the Accidental Death and Dismemberment Insurance benefit that accompanies your AWSC membership provides coverage for all Primary members and spouses. This includes all children under the age of 19. Insurance is provided through American Income Life. This includes coverage for all accidents; not just snowmobile related!

Oh, Behave!: At the County meeting it was announced that there will be increased law enforcement this coming season on Rusk County trails. Areas of interest will be the night-time 55 MPH speed limit (including lakes and rivers), and proper stop sign respect.

Season Opening Date: With the last deer gun season concluding on December 11, the earliest trails can open (depending on conditions, of course...) is December 14.
