Trails

We have been approached by the Forestry Dept regarding the Crooked Creek Bridge Project. They will remove the existing bridge as part of the bid. Bid opens November 4, with the bridge targeted to be installed by Dec 31. Permits have been obtained.

We have not heard from Farm and Fleet regarding the 300 posts we have on order with them. A follow-up call is in order.

We will do some mowing Saturday...

WRA mower may have some issues (running backwards; switched hydraulic lines)...we will request it and see how things go, and if the fixes are easily done (if needed). The Weyerhaeuser club had it last.

The Carol Heath dozing project is complete.

Groomers/Drags

We may think about making a motion for a double or triple payment on the groomer in December, depending on how our financial position looks and our outlook for the rest of the season.

Dave Flohr will look into a "Driftbusters" sign for the drags from Metzen's.

Club

Our 1st 50% check from Rusk County should be coming in this week (\$14K).

Map boxes should go up early December.

We have guns for the gun-board fundraiser. They are a 30.06 Stevens and a .243 Ruger. Mr Mohr will arrange for the gun boards, and we have the license. The Cedar Lodge will get one gun, and Mickey's will get the other first, and then move it to The Flambeau Lodge.

Club insurance has been brought up to date. Everything we own is now fully covered.

Next Club meeting will be November 10 at The Hilltop (7:30).

County

AWSC workshop coming up...

Next County meeting is November 8 at the Fireside. Meeting Sponsor is the Back 40 Club.

Meeting adjourned at 8:20.

Respectfully submitted, Richard Berger
