Next Meeting March 10 at The Ladysmith Family Restaurant (7:30)

Business Member news: We would like to welcome Don and Kelly Sports of Mickey's Bar in Tony. Please stop by and say "Hi" when you are out sledding near Tony.

Chili and Brat Feed: Thanks to everyone that helped to bring our annual fundraiser to a successful completion. This was the second highest producing Chili Feed in our history.

Next Meeting: Our next meeting will be held March 10 at The Ladysmith Family Restaurant (7:30). Invite anybody you think would be interested in joining us!

Big Falls Flowage levels: Excel Energy is keeping the water levels behind the Big Falls Dam low while they investigate the source of the sinkholes. Ice crossing has been deemed safe as of this writing, but please be careful with coming warmer temperatures.

All Seasons Sports Center: All 2010 clothing is now 10% off, with earlier year's clothing priced at 15% off. Includes jackets, gloves, bibs, and helmets. Sale pricing is limited to in-stock items. Sale begins March 1, but Driftbuster members can stop in before that and mention this ad to receive same deal.

Elections in April: Do you wish to make a bigger contribution to your club, or do you have ideas that you think would benefit the Driftbusters? Club Officer elections are in April, and we could always benefit from new energy and ambition. Consider becoming an officer and making your mark on the Ladysmith snowmobiling community.

Trails temporarily closed: As of this writing, Rusk County trails have been temporarily closed to save them during the current thaw.
