

Ladysmith Driftbuster's September 2011 Minutes

Meeting was called to order at 1935 at The Driftbuster Clubhouse with 9 members present. Call to order was made by President Ron Young.

Secretary's report was presented and approved by a motion from Dave Flohr and Linda Reissner; vote was unanimous.

Treasurer's Report was presented and approve by a motion by Richard Berger; vote was unanimous.

Trails

Crooked Creek Bridge has been approved. There is doubt that we will see it this year due to permits, public hearings, and the bidding process.

We should look into arranging for access to the WRA mower this fall to clean up and brush trails. The Club has purchased a new 12-HP mower. We also need to re-visit our insurance coverage to ensure we have proper coverage on all club-owned equipment and property.

The Mike Spanislo property has been vacated, and Bittner's property (Highland Road) has been sold to a relative (Smith). The city is doing a test well on Bill Ohlinger's property (Hagg's Hill). Any work there should not constrict our trails at all. Some dozing at Carol Heath's is needed.

Signs and posts: We do need to inventory our signs. There are 300 posts on order.

Groomers and Drags

We should make a time to clean out the clubhouse shop and clean-up our equipment. Also, it would be good to check on the cost to refurbish and retread each "corner" of the 2002 groomer.

The phones should also be reactivated in October so they are ready for the coming season.

Club

The Business membership money that is forwarded to the AWSC has been raised by \$10.00 The Club reluctantly will raise the cost of a Business membership to \$60.00 accordingly. All other memberships will remain the same as they have for the last several years.

November will be a great time to put up the map boxes.

This is also the time of the year to get the gun boards together. The Club is looking to Steve Mohr is investigate what we can do this year.

Landowner Bruch last May saw a happy and satisfied bunch of people. Our Landowners appreciate the event and are starting to look forward to it every year.

Our next meeting is October 13 at Grandpa's Pizza (7:30)

County

The first County meeting will be hosted by us and will be held September 13 at The Cedar Lodge (7:00)

Motion for adjournment asked for by President Young made at 2026, and made by Richard. Passed and meeting adjourned.

Respectfully submitted,

Richard Berger
Secretary
